Award-Winning Design

AHRC New York City is the winner of the IFMA 2020 Innovation Award for the complete redesign and reconstruction of the 10th floor at AHRC NYC Headquarters, located at 83 Maiden Lane in Manhattan.

State-of-the-Art Clinic

With patient experience in mind, we transformed our clinical space to improve person-centered care through workspace renovation and design. AHRC NYC is dedicated to providing the highest quality of care to people with disabilities, their families, and support staff.
